
This E-PASS Customer Agreement (hereafter referred to as “Agreement”) is entered into between you (hereafter referred to as “User”) and the Central Florida Expressway Authority (hereafter referred to as “CFX”), regarding the use of the E-PASS Prepaid Toll Program (hereafter referred to as “E-PASS”), and Postpaid Visitor Toll Pass® (hereafter referred to as “Visitor Toll Pass®”), the E-PASS Portable transponder (hereafter specifically referred to as “E-PASS Portable Transponder”), E-PASS Bumper transponder (hereafter specifically referred to as “E-PASS Bumper Transponder”), the E-PASS Sticker transponder (hereafter specifically referred to as “E-PASS Sticker Transponder”), the E-PASS Xtra transponder (hereafter specifically referred to as “E-PASS Xtra Transponder”) and Visitor Toll Pass® Transponder (hereafter referred to as “Visitor Toll Pass® Transponder”) on toll roads, bridges, parking and other facilities within the State of Florida and within other states for which the toll operators have entered into reciprocity agreements with other Interoperable partners of which CFX is a party for electronic toll collection interoperability and thereby accept E-PASS Transponders for electronic payment (such other states hereafter referred to as “Interoperable States”). This agreement governs User’s E-PASS account (hereafter referred to as “Prepaid Account”) and Visitor Toll Pass® account (hereafter referred to as “Post Paid Account”).

Use of the Transponder by User shall be acknowledgment and acceptance by User of the terms and conditions of this Agreement. CFX may alter, amend, or otherwise change the terms and conditions of this Agreement at any time. Alterations, amendments or other changes will be posted in the Customer Agreement section online at the CFX website or the Mobile App and shall be effective upon the date of posting. User is responsible for keeping current: User’s address, contact information, vehicle and license plate information, and any and all E-PASS Prepaid or Visitor Toll Pass® Postpaid Account information. For your convenience, updates may be made by logging onto User’s account at E-PASS website, the Mobile App or by contacting the E-PASS Customer Service Center at 1-800-353-7277.

If User does not accept the terms and conditions of this Agreement, or any future alterations, amendments or other changes to the terms and conditions of the Agreement by CFX, User shall discontinue use of all Transponders and shall notify the E-PASS Customer Service Center. The terms for voluntary or involuntary closure of a User’s Prepaid Account or Postpaid Account will be applied in accordance with Section 11 of this agreement.

Section 1. Intent of the E-PASS and Visitor Toll Pass® System.

1.1 The intent of E-PASS and Visitor Toll Pass® is to provide a safe transportation system, reduce traffic congestion and air pollution by providing efficient and convenient electronic payment. Users may pay tolls and/or other services electronically by using a Transponder at any Florida or Interoperable State location where E-PASS or Visitor Toll Pass® is accepted for payment. One or more Transponders may be activated by establishing a Prepaid Account for E-PASS or a single transponder in the case of the Postpaid Visitor Toll Program. The E-PASS Prepaid Account balance must be kept in good standing to avoid interruptions in electronic payment. Use of the E-PASS and Visitor Toll Pass® electronic payment system is a privilege and not a right.
1.2 User must notify E-PASS Customer Service Center of any change in vehicle and/or vehicle registration and/or license plate prior to using Florida or Interoperable State toll facility. Failure to update this information may result in additional charges and fees or a toll violation resulting in the User and/or the registered owner of the vehicle used on the toll facility being held responsible and liable for any Uniform Traffic Citation issued pursuant to §316.1001, Florida Statutes for violations occurring in the State of Florida and traffic citations issued by other states for violations occurring in Interoperable States as a result of User’s failure to update this information.

1.3 In addition, User shall notify the State of Florida, Department of Highway Safety & Motor Vehicles (DHSMV) if applicable:

Driver License Office within ten (10) days of any change to name and/or any change of mailing address pursuant to §322.19, Florida Statutes (2007).

Motor Vehicle (Tag) Office within twenty (20) days of any change of mailing address pursuant to §320.02(4), Florida Statutes.

1.4 User and/or the registered owner of the vehicle used on the toll facility is responsible and liable for any unpaid toll or traffic citation issued as a result of User’s Transponder not being read by the receiving equipment in any toll facility. User shall not use this Agreement as a defense to a toll violation if the Transponder is not read by the receiving equipment unless the supplemental lane transactions show a problem with the receiver in the lane at the time of the alleged violation. Defective Transponders, malfunctioning Transponders, and not properly mounting the Transponder do not relieve the User and/or the owner of the motor vehicle involved in an unpaid toll from liability under §316.1001, Florida Statutes or the applicable laws of an Interoperable State.

1.5 User is responsible for pre-paying all tolls if using a Prepaid Account for E-PASS. User must immediately pay cash for tolls and stop using Transponder when the balance on the account is insufficient to pay any toll. (Refer to Sections 5.7 and 5.7.1 for more details.) Whether or not User actually knew the balance on the account was insufficient shall not be a defense to a toll violation and User and/or the owner of the vehicle used on the toll facility is responsible and liable for any Uniform Traffic Citation issued pursuant to §316.1001, Florida Statutes or the applicable laws of an Interoperable State.

1.6 User’s failure to inform E-PASS Customer Service Center of the current registration and/or license plate number on the vehicle prior to using any toll facility will result in a breach of this Agreement and may result in the issuance of a Uniform Traffic Citation ("UTC") under §316.1001, Florida Statutes, or the applicable laws of an Interoperable State. These remedies are in addition to any remedies available to CFX under federal law, Florida common law, statutes, administrative rules, and this Agreement.

Section 2. E-PASS License and Visitor Toll Pass® License.

The User shall be responsible for each Transponder issued to User under this and/or subsequent Agreements and all amendments to such Agreements. The Transponder(s) may be used at designated E-PASS Lanes; E-PASS enabled lanes or any other venues that accept E-PASS or Visitor Toll Pass® as payment for services inside or outside the State of Florida. Whether paying electronically using a Transponder or by a manual payment method, User remains responsible for any toll payments, toll violations, or payments for any other services. Failure to collect payment electronically, even though User has a Transponder, shall not release User of payment responsibility.
Section 3. Privacy Policy.

3.1 CFX respects the privacy of all account holders. CFX does not sell or share its customer list with outside marketers. In addition, personal identifying information generally is exempt from disclosure under Florida’s public records law, pursuant to Section 338.155(6), Florida Statutes, and can be obtained by persons outside of CFX or authorized law enforcement agencies only by subpoena or court order, except CFX may share certain Prepaid Account or Post Paid Account information with operators of other toll facilities for toll payment, collection and notice purposes without obtaining a subpoena or court order. User acknowledges and agrees that Interoperable States will observe their respective state laws regarding the disclosure of records and other information related to transactions that use an E-PASS Transponder (Portable, Bumper, Sticker or Xtra) or Visitor Toll Pass® Transponder on toll facilities of the Interoperable States, including Prepaid Account or Postpaid Account information provided by CFX to the Interoperable States for the purpose of toll payment, collection, or notice. Under no circumstances will User information be disclosed to any nonaffiliated third parties for use in telemarketing, direct mail marketing, or other marketing.

3.2 User acknowledges and agrees that CFX may use the Transponder or may authorize any other governmental agencies to use the Transponder to collect anonymous traffic, travel, or other statistical information.

Section 4. Choosing the right Customer Account Type.

E-PASS provides both Personal, Business, Rental Car Toll Collection and Visitor Toll Pass® Accounts.

4.1 Personal Prepaid Accounts: Primarily for personal, non-business Users with privately owned or leased vehicles and/or trailers. While multiple Transponders may be linked to personal accounts, the number is typically less than 10. The minimum opening balance for a Personal Prepaid Account is $10.00. When adding additional Transponders to an existing Prepaid Account, additional prepaid funds may also be required.

4.2 Business Prepaid Accounts: Primarily for companies or businesses with corporate owned or leased vehicles and/or trailers. A current Federal Employer Identification Number (FEIN) is required to open an account of this type. FEIN information must be kept current and may be requested by an E-PASS representative at any time. The minimum opening balance for a Business Prepaid Account is dependent on the User’s estimated monthly usage but must be a minimum of $10.00. User shall be notified of any changes to the required replenishment amount on their monthly Account Summary Statement or via e-mail or text message (standard text message rates may apply) if applicable. For Business Prepaid Accounts to qualify for tax exempt status, User must provide a valid tax exemption certificate. If provided after account is established the tax exemption is effective from the date proof is provided.

4.3 Rental Car Toll Collection Service Accounts: Primarily for national rental car companies or service providers who act as an intermediary between CFX and national rental car companies, for the purpose of making “E-PASS Only” lanes available to customers of national rental car companies via the use of the video-based PAY-BY-PLATE system or the transponder-based E-PASS system. The rental car company or service provider must enter into a separate Marketing and Operations Agreement for Rental Car Toll Collection Services and abide by the terms thereof. Rental car customers of national rental car companies are given a choice to: (1) pay cash at toll booths when using toll roads, if the cash payment option is
available for the toll facility location to be used; (2) pay the cash rate of tolls plus a minimal daily fee; or
(3) pay a flat daily fee for unlimited tolls. The rental car company or service provider will establish and
maintain one or more Prepaid Accounts for use in providing services to client companies and/or their
customers and will be subject to automatic replenishment via a commercial credit card or other method
approved by CFX. This service provides customer service to both the rental car companies and toll agency
customers, reduces paperwork between rental car companies and their customers, and eliminates toll
violations.

4.4 Visitor Toll Pass® Accounts: Primarily for travelers arriving via an airport who will be renting a vehicle
during their stay. This account allows only for a single transponder to be linked to an account. The account
is a Postpaid account whereas tolls will be charged via credit card at one or more times during or at the
end of the rental period. Customers are provided with a Visitor Toll Pass® Transponder to use during their
rental period. If the transponder is not returned at the end of the rental the customer will be charged for
the transponder.

Section 5. E-PASS and Visitor Toll Pass® Transponder Usage.

5.1 Unless otherwise directed by CFX, User agrees to properly mount the Transponder, as explained in the
E-PASS User Manual available online at the E-PASS website, CFX website, Mobile App or materials provide
to the customer during account initiation, during all toll road travel and/or other available services. Holding a Transponder in the User’s hand or leaving it on the dashboard or in another non-mounted position in the vehicle is strictly prohibited. Not properly mounting the Transponder may result in the User’s Transponder being denied for electronic payment, resulting in unpaid tolls. Unpaid tolls may result in additional charges and fees or the issuance of a UTC under §316.1001, Florida Statutes or under the applicable laws of an Interoperable State.

5.2 User acknowledges User’s responsibility under this Agreement and User agrees to comply with all
applicable traffic laws while using toll roads and bridges.

5.3 Under no circumstances should a User drive through a designated E-PASS toll lane or E-PASS enabled
lane at a speed greater than that posted by CFX or other applicable governmental authorities.

5.4 When using a toll lane that is not E-PASS only (i.e. an exact change or change lane that also displays
the E-PASS logo), even with a working and funded Transponder, the User must bring the vehicle to a
complete stop before proceeding through the toll lane.

5.5 User accepts that sharing a Transponder for electronic payment at the same time in the same location
is prohibited.

5.6 Under no circumstance may a Transponder be used in a vehicle that has not been registered as an
authorized vehicle for the User’s Prepaid or Postpaid Account. The vehicle and its unique license plate
must be associated to the User’s account information and a vehicle may not be actively listed on more
than one Prepaid or Postpaid Account.

5.7 Failure to pay a toll is a violation which may result in the issuance of a traffic citation. CFX takes a
photograph of the vehicles that do not pay the required toll. If User’s Prepaid Account does not have
sufficient balance to pay the toll, User must use cash lanes, if cash lanes are available, or avoid using toll
facilities until the account is replenished and in the Active status. When paying cash, User shall place the
E-PASS Portable, Bumper or Xtra Transponder in the Radio Frequency ("RF") shield bag, or remove the E-PASS Portable, Bumper or Xtra Transponder from the vehicle. The RF shield bag is available, free of charge, by calling 1-800-353-7277. User shall turn over the Transponder at the request of law enforcement or CFX because of toll violation(s) relating to the misuse or termination of a Prepaid or Postpaid Account in connection with a violation of local, state or federal law. E-PASS or Visitor Toll Pass® Transponders that have been forfeited under this section may be returned to User when the Prepaid or Postpaid Account has been returned to good standing.

5.7.1 Users paying cash while an E-PASS Portable, Bumper, Sticker, Xtra Transponder or Visitor Toll Pass® Transponder is installed on the vehicle may be double charged/double billed. E-PASS will not credit your account for duplicate activity when paying with cash unless valid cash receipts are provided to E-PASS Service Center within 90 days of the original transaction. The amount of the credit will be at the E-PASS toll rate. Cash receipts are not available at all locations or times of day. No credit or refund will be due if one or more tolls are paid by cash at a location or at a time of day for which cash receipts are not available.

5.8 User shall not, under any circumstances, authorize another person or third party to use his or her Transponder, unless User has previously added to his or her Prepaid or Postpaid Account the vehicle and license plate information for each vehicle authorized by User to use the Transponder. User is responsible for any and all transactions incurred by User's Transponder in the event someone other than User uses a toll facility with User's Transponder.

5.9 User agrees that User shall not attempt to, reverse engineer or otherwise attempt to alter, modify or tamper with the mechanical or electrical operation of the Transponder, or otherwise attempt to use the Transponder or other equipment in order to avoid payment of tolls or fees.

Section 6. Vehicle and Non-Semi Trailer Information (e.g. Boat, Camper, Utility, etc.).

6.1 All vehicles in which the User intends to use a Transponder must be listed within the account, but a vehicle license plate may only be actively subscribed to one account at a time. The license plate number and issuing state must be provided at the time of transponder activation and updated as changes occur. The year, make, model and color of the vehicle must be provided within 60 days of transponder activation and updated as changes occur, if applicable. For convenience, vehicle information may be updated on the E-PASS website, the Mobile App or through the E-PASS Service Center. User accepts there may be occurrences when a Transponder is not identified even though it is present in the vehicle. In cases where a Transponder is not identified but the vehicle license plate is recorded, CFX reserves the right to add the vehicle license plate and issuing state to the User's account. CFX will not exercise this right unless a confident match can be made between the registered owner of the vehicle for the license plate and the customer information on the User's account.

6.2 All Non-Semi trailers (e.g. Boat, Camper, Utility, etc.) pulled by vehicles in which the User intends to use a Transponder must be listed within the account, but a trailer license plate may only be actively subscribed to one account at a time. The license plate number and issuing state must be provided and updated as changes occur. For convenience, this information may be updated on the E-PASS website, the Mobile App or E-PASS walk in or call center. User accepts there may be occurrences when a Transponder is not identified even though it is present in the vehicle pulling the trailer. In cases where a Transponder is not identified but the trailer license plate is recorded, CFX reserves the right to add the trailer license plate and issuing state to the User's account. CFX will not exercise this right unless a confident match can
be made between the registered owner of the trailer for the license plate and the customer information on the User’s account

Section 7. Prepaid Account.

User is responsible for pre-payment of all tolls used prior to using toll facilities. User is responsible for maintaining a working Transponder at all times and required to contact CFX if inoperative. If the Transponder is not read by the receiver in the electronic toll collection lane for any reason, including but not limited to improper mounting, problem windshields, or other Transponder malfunction, User will be subject to the issuance of a traffic citation. User will be liable for payment of the unpaid toll along with fines, court costs and other penalties which may include points on User’s driving record which may result in the suspension of User’s driver license or vehicle registration. User accepts responsibility to maintain a sufficient balance in User’s Prepaid Account at all times to cover applicable tolls and other charges as described below.

7.1 User authorizes CFX to deduct the following charges from the User’s Prepaid Account:

7.1.1 User accepts and agrees that all charges, both in Florida and in Interoperable States, paid electronically using their Transponder(s) will be deducted from the User’s Prepaid Account. Where charges are paid using traditional payment methods and User’s Transponder is also in the vehicle resulting in the same charges being paid electronically, the User must produce valid receipt(s) for any payments for tolls made in order to have the electronically paid charges reversed. The receipt(s) must be received by CFX within 90 days of the transaction. The amount of the credit will be at the E-PASS toll rate.

7.1.2 Returned Check Charge: A deduction of $25.00, as may be increased or decreased from time to time, will be made from User’s Prepaid Account if any check is not paid on demand by the bank upon which the check is written.

7.1.3 Monthly Account Statement Charge: A deduction of $0.50 as may be increased or decreased from time to time, will be made from User’s Prepaid Account for each monthly summary or detailed statement of User’s Prepaid Account delivered by mail. Statement prices may be adjusted from time to time by CFX. Statements printed directly from the website are free of charge.

7.1.4 In cases where the Transponder is not read and an image of the vehicle’s or non-semi trailer’s (e.g. Boat, Camper, Utility, etc.) license plate is recorded, and the plate is listed on the User’s Prepaid Account, any unpaid charges may still be paid electronically using the vehicle’s/trailer’s license plate number, hereinafter called an “Image Toll” or “I-Toll”. If in any given month the User’s Prepaid Account records an excessive amount of I-Toll transactions per license plate, CFX may charge the User the PAY-BY-PLATE rate if such option is available and, in the event the PAY-BY-PLATE rate is not available, then the cash rate will be charged on those transactions. User accepts that vehicle license plate recording may not be available at all locations or states where E-PASS is accepted for electronic payment. Where vehicle license plate recording is not available, Image Tolls will not be processed. The I-toll process does not prevent law enforcement officers from issuing citations for observed toll violations.

7.1.5 In the event the required toll is not paid, and the prepaid account does not have sufficient funds to pay the toll electronically, a traffic citation may be issued.
7.1.6 Full account information and services will be provided to Users with registered Prepaid Accounts only. An account is considered registered when the User has provided full contact information, including but not limited to: Name, Address, Telephone number, User Name, Password (User Name and Password applies to online registration only), PIN, Vehicle License Plate(s), and Driver’s License Number and for business accounts the FEIN.

7.1.7 CFX strives to ensure charges are accurately recorded, User accepts that miscalculations in account balances may occur. In such cases, CFX maintains the right to make adjustments, without notice, where evidence can be provided that the adjustment is appropriate. Such adjustments will be presented in detail or summary on the User’s Account Detailed Activity Statement or Account Summary Statement respectively.

7.2 User accepts and agrees that no interest shall ever be paid nor due to User on Prepaid Account balances at any time.

7.3 CFX reserves the right to limit the availability of historical Prepaid Account Activity. The period of availability, either on-line or upon request from CFX, shall not exceed three years.

Section 8. Postpaid Account.

User is responsible for payment of all tolls used. User is responsible for maintaining a working Transponder at all times and required to contact E-PASS Service Center if inoperable. If the Transponder is not read by the receiver in the electronic toll collection lane for any reason, including but not limited to improper mounting, problem windshields, or other Transponder malfunction, User will be subject to the issuance of a traffic citation. User will be liable for payment of the unpaid toll along with fines, court costs and other penalties which may include points on User’s driving record which may result in the suspension of User’s driver license or vehicle registration. User accepts responsibility to maintain a credit card on file with sufficient balance at all times to cover applicable tolls and other charges as described below.

8.1 User authorizes CFX to deduct the following charges from the User’s Postpaid Account:

8.1.1 User accepts and agrees that all charges, both in Florida and Interoperable State, paid electronically using their Transponder(s) will be paid from the User’s Postpaid Account. Where charges are paid using traditional payment methods and User’s Transponder is also in the vehicle resulting in the same charges being paid electronically, the User must produce valid receipt(s) for any payments for tolls made in order to have the electronically paid charges reversed. The receipt(s) must be received by CFX within 90 days of the transaction. The amount of the credit will be at the E-PASS toll rate.

8.1.2 Returned Check Charge: A deduction of $25.00, as may be increased or decreased from time to time, will be made from User’s Postpaid Account if any check is not paid on demand by the bank upon which the check is written.

8.1.3 In cases where the Transponder is not read and an image of the vehicle’s or non-semi trailer’s (e.g. Boat, Camper, Utility, etc.) license plate is recorded, and the plate is listed on the User’s Postpaid Account, any unpaid charges may still be paid electronically using the vehicle’s/trailer’s license plate number, hereinafter called an “Image Toll” or “I-Toll”. If in any given month the User’s Postpaid Account records an excessive amount of I-Toll transactions per license plate, CFX may charge the User the PAY-BY-PLATE rate if such option is available and, in the event the PAY-BY-PLATE rate is not available, then the cash rate...
will be charged on those transactions. User accepts that vehicle license plate recording may not be available at all locations or states where Visitor Toll Pass® is accepted for electronic payment. Where vehicle license plate recording is not available, Image Tolls will not be processed. The I-toll process does not prevent law enforcement officers from issuing citations for observed toll violations.

8.1.4 In the event the required tolls due are not paid a traffic citation may be issued.

8.1.5 CFX strives to ensure charges are accurately recorded, User accepts that miscalculations in account balances may occur. In such cases, CFX maintains the right to make adjustments, without notice, where evidence can be provided that the adjustment is appropriate. Such adjustments will be presented in detail or summary on the User’s account history.

8.2 CFX reserves the right to limit the availability of historical Postpaid Account Activity. The period of availability, either on-line or upon request from CFX, shall not exceed three years.

Section 9. Replenishment of Prepaid Account.

9.1 User accepts responsibility for replenishing the Prepaid Account in a manner that ensures a sufficient balance is maintained in the Prepaid Account at all times. Use of E-PASS lanes, designated or enabled, without a sufficient balance in the Prepaid Account to pay the charge will result in termination of User’s Prepaid Account in accordance with section 11 of this agreement.

9.2 E-PASS Auto Replenishment: User may elect or may be required to enroll in E-PASS Auto Replenishment, which is a feature that links a credit or debit card in good standing to their Prepaid Account. This feature will automatically replenish the User’s Prepaid Account balance by a pre-set amount whenever the balance in the Prepaid Account drops to a pre-set low-balance threshold. A credit card is considered in good standing if it belongs to an active, non-expired account having sufficient credit available. Failure to maintain the credit or debit card linked to an E-PASS account with Auto Replenishment active in good standing may result in the termination of User’s Prepaid Account and an interruption in electronic payment using the User’s Transponder(s). This may result in the issuance of traffic citations. (Refer to Section 11.2 for more details regarding Termination of Prepaid Account.) The minimum replenishment threshold and replenishment amount is determined during E-PASS enrollment based on expected usage. For Personal Accounts, a minimum of $10.00 in prepaid tolls is required. CFX may periodically analyze account activity and adjust the replenishment amounts and replenishment thresholds of its customers at their discretion.

9.3 E-PASS Users are automatically opted in to allowing E-PASS as a payment option at an E-PASS facility or interoperable facility accepting E-PASS as a payment option. In addition, Users accept that any charge due at an E-PASS facility or interoperable facility accepting E-PASS as a payment option exceeding the User’s current Prepaid Account balance may be charged directly to the credit or debit card linked to the E-PASS account.

9.4 Replenishment payments may be submitted through various payment channels to the E-PASS Customer Service Center or made in person at participating facilities and locations as determined from time to time by CFX. Check payments must be received at least 3 business days before the balance in the User’s Prepaid Account becomes insufficient to cover charges paid electronically by the User’s Transponder.
9.5 Cash replenishments to Prepaid Accounts may be made at CFX authorized locations throughout Florida. For additional details and locations, please contact the E-PASS Service Center.

Section 10. Payment of Postpaid Account.

10.1 User accepts responsibility for payment of tolls by ensuring that a credit or debit card with a sufficient balance available is maintained in the Postpaid Account at all times. Use of E-PASS lanes, designated or enabled, without a credit or debit card capable of accepting an appropriate charge will result in termination of User’s Postpaid Account in accordance with section 11 of this agreement.

10.2 A credit or debit card is considered in good standing if it belongs to an active, non-expired account having sufficient credit available. Failure to maintain the credit or debit card in good standing may result in the termination of User’s Postpaid Account and an interruption in electronic payment using the User’s Transponder(s). This may result in the issuance of traffic citations. (Refer to Section 11.2 for more details regarding Termination of Prepaid Account.)

10.3 Users are automatically opted in to allowing Visitor Toll Pass® as a payment options at an E-PASS facility or interoperable facility accepting E-PASS as a payment option. In addition, Users accept that any charge due at an E-PASS facility or interoperable facility accepting E-PASS as a payment option may be charged directly to the credit or debit card linked to the Visitor Toll Pass® account.

Section 11. Voluntary or Involuntary Termination of User’s Transponder.

If User’s Transponder is terminated, either voluntarily or involuntarily, User shall immediately: Cease using the Transponder for electronic payment; Remove any E-PASS Transponder(s) or Visitor Toll Pass® Transponder and permanently remove them from any vehicle that may travel on E-PASS enabled lanes or other states that accept Transponders for electronic payment; and discontinue traveling on designated E-PASS Lanes and other E-PASS enabled lanes or other states that accept Transponders for electronic payment. Using a Transponder while terminated may subject the User to toll violations and issuance of traffic citations. All activity incurred during terminated status will be charged to the User’s Prepaid or Postpaid Account at the toll rate charged to customers paying by PAY-BY-PLATE rate or applicable at that particular location. No credits will be issued upon reactivating a terminated Transponder(s). Users paying cash while an E-PASS Transponder or Visitor Toll Pass® is installed on the vehicle windshield may be double charged/double billed. E-PASS will not credit your account for duplicate activity when paying with cash unless valid cash receipts are provided to E-PASS within 90 days of the original transaction. The amount of the credit will be at the E-PASS toll rate. Cash receipts are not available at all locations or times of day. If a User fails to remove an E-PASS Transponder or Visitor Toll Pass® from a vehicle following a voluntary or involuntary termination of User’s Prepaid or Postpaid Account, then no credit or refund will be due if one or more tolls are paid by cash at a location or at a time of day for which cash receipts are not available.

11.1 Voluntary or Involuntary Closure of User’s Prepaid or Postpaid Account: If User’s Prepaid or Postpaid Account is closed, either voluntarily or involuntarily, all Transponders listed on the User’s Account will be terminated. User agrees to comply with the terms for voluntary or involuntary termination of User’s Transponder(s) detailed in Section 11 of this agreement. CFX may prohibit User from opening subsequent account(s) if any previous account has been closed involuntarily. Any remaining balance of the User’s Prepaid Account shall be refunded in accordance with Section 13 of this Agreement and any remaining balance owed will be the responsibility of the User for payment.
11.2 Termination of Prepaid or Postpaid Account: CFX may terminate User’s Prepaid or Postpaid Account at any time for any reason. Where a Prepaid or Postpaid Account has been terminated, all Transponders listed on the Account will be terminated. User agrees to comply with the terms for voluntary or involuntary termination of User’s Transponder(s) detailed in Section 11 of this Agreement. In lieu of account termination, CFX may allow User to retain the account, provided any outstanding balance is paid in full, and User enrolls in E-PASS Auto Replenishment or supplies a credit or debit card with sufficient balance to process any appropriate charges for the remainder of the Agreement as described in Section 9 and 10 of this Agreement. Using Transponder while terminated may subject the User to toll violations and issuance of traffic citations. All activity incurred during a terminated status will be charged to the account at the toll rate charged to customers paying the PAY-BY-PLATE rate or applicable at that particular location. No credits will be issued upon reactivating a terminated Transponder. No new Prepaid or Postpaid Account shall be open until all monies owed to CFX have been paid in full.

Section 12. Lost or Stolen Transponder.

In the event the Transponder is lost or stolen, User shall immediately change the Transponder status to Lost/Deactivated on the E-PASS website, the Mobile App or notify the E-PASS Customer Service Center. All charges paid electronically using a lost or stolen Transponder will continue to be reflected on the User’s Prepaid or Postpaid Account until notification of the loss or theft is reported in accordance with this Section. The User’s Transponder status will be modified upon receipt by CFX of User’s notification of the loss or theft. The User will not be held responsible for future toll activity on a lost or stolen Transponder after the status is changed online or notification is received by the E-PASS Customer Service Center unless the vehicle that went through the toll facility had a license plate listed in the User’s Account. In the event that the User does not have any other Transponder(s) or does not purchase a replacement Transponder on the Prepaid or Postpaid Account, any remaining balance or amount owed may be refunded or charged to the last credit or debit card used previously or listed on the account or by check in accordance with Section 15. Authorized or unauthorized use of the Transponder in any vehicle registered to the User shall be chargeable to the User’s Prepaid or Postpaid Account until notification is made to CFX in accordance with this Agreement, and the license plate is removed from the User’s Prepaid or Postpaid Account. If a Transponder previously reported Lost/Stolen is reactivated, any unpaid charges recorded while the Transponder was in a lost or stolen status will be charged to User’s Prepaid or Postpaid Account if CFX determines the usage was the result of the User’s vehicle incurring the charges.

Section 13. Damaged Transponder.

Damaged Transponders are not covered by warranty. For purposes of this Agreement, damage is defined as the rendering of the Transponder defective or inoperable due to tampering, abuse, improper use, defacement, or accidental destruction. Removal of or attempt to remove an E-PASS Sticker Transponder from the vehicle windshield may render the unit useless.

Section 14. Malfunctioning Transponder.

14.1 In the event of failure or malfunction of an E-PASS Portable, Bumper, Sticker, Xtra Transponder or Visitor Toll Pass®, User must immediately discontinue use of the Transponder and change the status to deactivated online at E-PASS website, the Mobile App or contact the E-PASS Customer Service Center. Where failure or malfunction occurs, Transponder shall be terminated and the terms for voluntary or involuntary termination of User’s Transponder(s) detailed in Section 11 of this Agreement shall apply.
Malfunctioning or defective Transponders due to a manufacturing defect shall be replaced at no cost to User only when returned to the E-PASS Customer Service Center within the 90-day warranty period. Damaged Transponders are not covered by warranty. Costs related to shipment of the Transponder to the E-PASS Customer Service Center are the responsibility of the User. CFX may require delivery confirmation in the event the Transponder is not received. User is responsible for any and all unpaid tolls and/or traffic citations issued as a result of any attempt to use a malfunctioning and/or defective transponder to pay tolls.

Section 15. Withdrawal of Prepaid Account Balance or Payment of Tolls Owed at Account Closure.

In the event the Prepaid Account is closed, the remaining balance of the Prepaid Account shall be refunded after 30 days to the User once all toll payments and any appropriate charges have been deducted. (Refer to Sections 11.1 and 11.2 for more details regarding Voluntary or Involuntary Closure of User’s Prepaid or Postpaid Account and Termination of Prepaid or Postpaid Account.) Depending upon the User’s method of payment for the Prepaid or Postpaid Account being closed, refunds may be issued in accordance with the method of payment used to replenish or charge the Prepaid or Postpaid Account. If User’s Prepaid or Postpaid Account has any outstanding balance owed, User shall pay the amount owed at time of closure.

Section 16. Dispute of Charges.

CFX must be notified of any disputes of charges appearing on User’s Prepaid or Postpaid Account within 90 days of the charge being posted. All disputes are subject to review and approval by CFX and may require additional documentation or evidence from the User.

Section 17. Miscellaneous.

17.1 User releases CFX, its officers, employees, or agents (collectively “CFX”), from all loss, damage, or injury whatsoever from the use or performance of E-PASS and the Transponder. CFX shall not have any obligation or liability to the User with respect to the use or the performance of E-PASS or the Transponder. The only relief available to the User shall be replacement by CFX of any defective or malfunctioning Transponder in accordance with Section 14 of this Agreement. User agrees to indemnify, protect, and hold harmless CFX from liability for all loss, damage, or injury to persons or property arising from E-PASS and/or the Transponder.

17.2 It is expressly understood and agreed that CFX, with verbal or written authorization from User, may make charges against User’s credit or debit card. User’s providing credit or debit card information by any manner such as verbally, written or electronic shall constitute User’s contractual authorization to CFX to make charges against User’s credit or debit card for E-PASS charges wherever incurred. User expressly understands and accepts CFX shall not be liable to User for any financial costs resulting from these actions. Additionally, CFX shall not be liable for: shall not be liable for:

17.2.1 Any incidental, indirect, special or consequential damages, including, but not limited to, loss of use, revenues, profits, or savings.

17.2.2 Claims, demands, or actions against User by any person, corporation, or other legal entity resulting from the use of the Transponder(s), credit report inquiry, check authorization, and/or charging against User’s credit card.
17.3 User accepts responsibility of all costs, including, but not limited to the associated costs and ramifications of a conviction related to a traffic citation, collection fees, attorney’s fees, and court costs incurred by CFX in the enforcement of the terms and conditions of this Agreement.

17.4 If for any reason User’s Prepaid or Postpaid Account is insufficient for tolls or any other charges due or owing to CFX, User shall remain liable to CFX for such insufficiencies and all applicable charges.

17.5 Unpaid balances due to CFX may be turned over to a collection agency for enforcement and collection activities.

17.6 Should User be the subject of any Bankruptcy proceeding under the Bankruptcy Act or become insolvent, CFX shall have the right to terminate User’s Prepaid or Postpaid Account and services provided. User shall remain and be liable for the payment of all unpaid charges hereunder exclusive of any other remedy provided herein or by law.

17.7 This Agreement shall be binding upon and inure to the benefit of User and User’s successors and CFX and its successors and assigns. User shall not be permitted to assign the obligations or benefits of this Agreement without the consent of CFX.

17.8 User accepts that User’s retaining, using, or permitting others to use the Transponder shall thereby constitute User’s acknowledgment of and acceptance of the terms and conditions of this Agreement.

17.9 User accepts that when allowing others to retain or use User’s Transponder, User accepts responsibility to pay the tolls and applicable charges of such permitted use and the obligations of this Agreement shall fully bind and be applicable to User as if User had incurred the tolls and charges.

17.10 To the full extent of Florida’s severance law, the invalidity of any portion of this Agreement shall not affect any other portion of this Agreement, which shall remain in full force and effect.

17.11 User shall immediately inform CFX of any changes to the information contained in the E-PASS Prepaid or Postpaid Account records, including without limitation, credit or debit card number and expiration date, payment method, name or address changes, Transponder ownership changes, and vehicular information changes (make/model, license plate information) for all vehicles in which the Transponder is used.

17.12 CFX reserves the right to reject any request to open or service an E-PASS or Visitor Toll Pass® account.

17.13 CFX reserves the right to offset and/or charge amounts owed to CFX for usage of E-PASS Transponder and Visitor Toll Pass® transponder from funds in User’s Prepaid or Postpaid Account.

17.14 User accepts that by providing User’s e-mail address and/or telephone number, User may receive information from CFX, its consultants, agents or other toll facility operators.

17.15 Questions regarding User’s Prepaid or Postpaid Account or transactions charged to User’s Prepaid or Postpaid Account should be directed to the E-PASS Customer Service Center at the address and telephone number listed below, on the Mobile App or at www.cfxway.com/contact-us/.
17.16 This Agreement shall be construed, interpreted and enforced in accordance with the laws of the State of Florida, with the exception of Florida’s choice of law provisions. Other than toll citations, any civil action or legal proceeding arising out of or relating to this Agreement shall be brought exclusively in the courts of record of the State of Florida in Orange County, Florida. The forum for Florida Uniform Traffic Citations shall be in the traffic and/or county court for the county where the alleged toll violation occurred. Toll violations occurring in an Interoperable State may be subject to the local laws of the jurisdiction in which the violation occurred.
